POPE JOHN PAUL II

Nancy Kerrigan, who won a bronze medal for figure skating at the 1992 Olympics, was expected to win the national figure skating title in Detroit in early January. But before she had a chance to compete, she was bashed on the knee by an unidentified assailant. Tonya Harding, who came in fourth at the 1992 Olympics, won the title. Nearly a month later, Tonya Harding's former husband, Jeff Gilloohy, pleaded guilty in the assault case. Miss Harding had consistently denied any role in planning the attack on her competitor. Within two weeks of the attack, the 24-year-old Miss Kerrigan was completing her most difficult jumps in practice, including the double axel, and she was on the Olympic team.

NANCY KERRIGAN

SUPER BOWL 1994

Pope John Paul II visited the United States for the third time since becoming pope 15 years ago. The 73-year-old pontiff attended World Youth Day, a week-long pilgrimage that brought nearly 200,000 youths from around the world to Denver. President Clinton and Vice President Gore traveled to Colorado to meet with the pope.

The Dallas Cowboys became only the fifth team to repeat as Super Bowl champions with a 30-13 victory over the Buffalo Bills in Super Bowl XXVIII at the Georgia Dome in Atlanta. The loss extended the Bills' record to four straight Super Bowl losses. Emmitt Smith of the Cowboys won the MVP award.

War In Bosnia

The AIDS virus continues to spread. The Centers for Disease Control and Prevention estimate there will be 40,000 to 80,000 new HIV infections in the United States this year. President Clinton appointed Kristine Gebbie as his AIDS policy coordinator, also called the AIDS czar, to oversee government AIDS programs.

CALIFORNIA EARTHQUAKE

In September the Bosnia parliament rejected an international peace plan for that devastated republic. The move, postponed a settlement that would have ended the 18-month-old war that has partitioned the country into three ethnic states for Croats, Muslims and Serbs. The United Nations has sent a peace-keeping force to the former Yugoslavia to help keep peace among the three warring factions. Tens of thousands of people have been killed in the conflict and more than a million have been left homeless.

AIDS Demonstration

Forty seconds that shook Los Angeles. At 4:31 on Monday morning, January 17, an earthquake registering 6.6 on the Richter Scale jolted residents of Southern California from their sleep. It was not The Big One, but it left at least 55 people dead, brought down major freeways and destroyed or damaged thousands of homes. The quake caused an estimated \$30 billion in damage. In the city of Los Angeles, 4,500 apartments and houses were declared uninhabitable. School district officials estimated building damage at \$700 million.

Recycling Helps The Environment

Wildfires swept through Southern California in November. The 26 major fires scorched patches from Ventura County to the Mexican border. Flames consumed a total of 200,000 acres and damaged or destroyed more than 1,000 buildings. At least three people were killed. Nineteen of the fires were believed to have been arson. Thousands of firefighters from around the state fought the blazes without pause for days. And unpredictable winds whipped the flames from hillside to hillside and house to house.

SOUTHERN CALIFORNIA FIRES

JANET RENO

Janet Reno is the first women attorney general of the United States. As the nation's head crime fighter, she confronts growing problems — drugs, gangs, violence. The 55-year-old prosecutor — a self-described "awkward old maid" — has become a crusader for America's children. Reno's save the family campaign is one of her many projects.

JUDGE RUTH BADER GINSBURG

Ruth Bader Ginsburg became the second female Supreme Court Justice. She joins Sandra Day O'Connor, a justice since 1981. Ginsburg, 60, is the 107th high court justice. She had won several landmark Supreme Court cases as a lawyer for the American Civil Liberties Union Women's Rights Project in the 1970s. She was the prime architect of the then-radical legal argument that the Constitution most often requires equal treatment for men and women.

First Lady Hillary Rodham Clinton chaired the White House task force that devised the health security plan. The proposal calls for employers to pay 80 percent of their workers' average health-care premiums and workers would pay the rest. Small businesses and low-wage workers would get subsidies to help them pay their share. The plan would cost the federal government an extra \$350 billion over five years, and Clinton hopes to get most of that money from holding down spending on Medicaid and Medicare, boosting cigarette taxes by about 80-cents a pack and imposing a special levy on corporations that set up their own health plans.

David Letterman

HILLARY RODHAM CLINTON

David Letterman, the darling of the late-night television audience, left his niche at NBC and moved over to Broadway and 52nd St. to the newly refurbished Ed Sullivan Theater that CBS renovated for him. He changed networks for a reported \$15 million contract. And his new show swept the ratings with rave reviews.

Soul Asylum

Soul Asylum's eighth album "Grave Dancers Union" reached gold status and the three videos from it are in frequent rotation on MTV. After nine years, the group from Minneapolis finally found success. The album was created with an emphasis on songs rather than volume. They realized that they couldn't play punk forever.

Yasser Arafat made history in September when he signed a peace treaty with Israel. The 64-year-old leader of the Palestine Liberation Organization once told a reporter: "I am a freedom fighter. I am sure this is the way that history will remember me." But Arafat is also a politician, going out of his way to kiss babies, shake hands, work the crowds — always showing that he was something more than a guerrilla fighter with a three-day beard.

CLASS OF

Ninety Four

January 9, 1994

Address To the Class of 1994

On behalf of the faculty and administrators of St. Joseph's, I congratulate the Class of 1994. For each graduate, who has uniquely arrived at the point of completion of a baccalaureate degree, this ceremony celebrates the fulfillment of an important accomplishment in life.

From the beginning of recorded history ceremonial forms have been a part of human lives. People of all ages and places have an innate and genuine need to solemnify significant personal developments. The word "ceremony" comes from a Latin word which means "sacredness." It is an event intended to celebrate one who has moved toward greater wholeness and identity and at the same time to recognize our human incompleteness and our dependency on the sacred.

In light of this, what significance does this ceremony have to you, the Class of '94, in the context of today's world? Most of us feel as if we live on a fragile border between civilization and chaos. Psychologists, sociologists, and scientists tell us: If the 20th century ushered in the Age of Anxiety, its exit is witnessing the dawn of the Age of Depression and Unbelief. Familiar moral, ethical and religious values are being swept away and are not being replaced with more relevant ones, but rather by a relativistic ethos that is construed to mean "anything goes." And, we well know, as structures and institutions that formerly conveyed values disintegrate, restraints on violent and criminal behavior also disintegrate.

I would like to suggest that to make society and society's failings responsible for the chaos we observe everywhere (in Europe, Africa, Middle East, Garden City) is not totally satisfactory. Something more fundamental, perhaps the darker side of human nature, is also at work — for the ability to differentiate right from wrong and do both good and evil is a uniquely human trait, and the test of individual responsibility. The way women and men live out their personal lives is what really redeems or condemns society, not the other way around.

Having come to know many of you both in academic and extra-curricular settings, we are confident that this ceremony does reflect your sense of individual responsibility and your conviction that there is no complete joy for anyone until there is joy for all. We commend you for this because our culture is based increasingly on the false assumption that we have a right to feel good and happy all the time, and that we create our own fulfillment and happiness by having more and more riches, power, and security while 2/3 of the world is homeless and starving. Living this illusion, it is hard to have faith and hope that tomorrow can or will be different. To continue to be true to yourself in a world which is doing its best day and night to offer you this false identity will be your greatest challenge.

In the words of Albert Schweitzer, "I don't know what your destiny will be, but one thing I do know: the ones among you who will be really happy are those who seek and find how to serve others." Society is judged not so much by the standards attained by its more affluent and privileged members as by the quality of life which it is able to assure for its weakest members.¹ To work for the importance and dignity of your true inner self and that of every other human being is still the first mark of an educated person.

Let this ceremony be then what it is meant to signify: your connection with the sacred and the celebration of your baccalaureate degree which has lead you to greater truth, wholeness and identity. May you know peace and live it, and have real happiness and share it. God bless you.

The Golden Eagles opened the season with a lopsided 79-26 victory over Webb Institute. Senior Brian Dolan led St. Joseph's College with 14 points and 13 rebounds as Webb provided little competition for the Golden Eagles in their season opener.

Along with Dolan, five other Eagles scored in double digits for the SJC team. Freshman Guard Rob Kaleb was right behind Dolan with 13 points. Other scoring included Ryan McNeely (12), Sean Brosnan (10), Dave Edwards (10), and Phil Maniaci (10).

The Eagles next match was against Caldwell in their first conference game. SJC lost this game 69-47, keeping the game close until the end of the second half. Sean Brosnan led the Eagles in this game with 13 points. Brian Dolan was also effective underneath the net, collecting 7 rebounds, Dave Edwards and Phil Maniaci also contributed with double digit scoring of 11 and 10 points, respectively.

With strong efforts in the first two games, the SJC Basketball team is looking forward to a successful season.

ST. JOSEPH'S COLLEGE'S DAVE EDWARDS TRADES HIS UNIFORM FOR A COACH'S CLIPBOARD

Senior Dave Edwards of Bellport, NY, finds himself in a remarkable position come Tuesday, January 18. The 5'8" guard will complete his college career in a conference game against rival Nyack College; at the end of that game he will turn in his uniform and begin his duties as volunteer assistant coach.

Edwards completed his course requirements for graduation and will receive his bachelor's degree in business administration in May. His athletic eligibility ends on Jan. 19.

"While we will miss having Dave Edwards as a team captain and floor leader, we will put his hard work ethic and individual determination to good use in helping to develop the skills of our underclassmen," says head coach Joe Maniaci. "At the same time Dave is the kind of young man we are proud to point to as a typical St. Joseph's College student athlete." As such, his perception of SJC and its basketball program will be used to assist in the school's recruiting efforts.

Edwards graduated from Bellport HS, and was an All-League player for coach Jim McGowan. After his graduation, Edwards enrolled at and graduated from Suffolk Community College.

Dave Edwards will be leaving his mark on the basketball program at SJC; his most recent accomplishments include:

- *Pre-season All Conference team ('92-'93)

- *Ranks #1 in total 3-point field goals (148) #4 career scorer (716)

- *Named to the '92-'93 Long Island Invitational Tournament All-Star Team

- *Led the team in 3-point baskets made (41) Second in steals (36)

- *Personal bests for the '92-'93 season: 20 pts. (Dominican), 8 reb (Pratt), and 5 assts. (Pratt)

- *Led the team in scoring 7 times, rebounding once, assts. 5 times

- *Team co-captain for '92-'93

- *#6 in the district ('92-'93) in 3-point field goal % (38.5)

- *Junior College tennis All-American

- *All-District singles & doubles champ in consecutive seasons

- *Business Administration major

- *Set record for best 3-point % in a game-60% (6-10)

St Joseph's Equestrian Team has begun preparations of the upcoming 1993-94 season. Under the leadership of Sheila Rodgers, the riders are looking to continue a tradition of excellence.

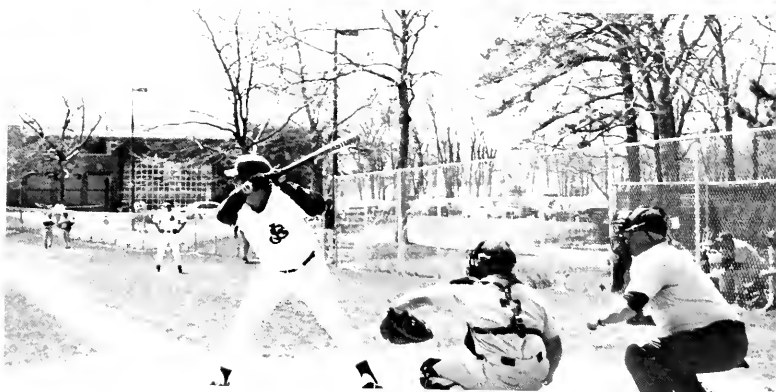

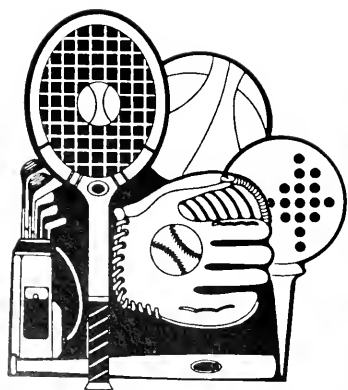

Equestrian is SJC's only co-ed sport. In competition where the sexes compete on an equal basis, the horse becomes "the great equalizer." Coach Rodgers is dedicated to developing well rounded horsemen and women. She insists that a competitive spirit go hand in hand with a love and respect for the horse. Her philosophy works. This is evident by the past success of the team.

Sheila has coached the team to 3 top five regional finishes, and individual team members have represented the zone at the national finals on three different occasions under Sheila's guidance.

For those interested in joining the team, there is no experience necessary. Competition exists on all levels, ranging from the basics to show jumping. Team members move up in levels of competition as they gain experience, and compete against those who have similar abilities. Coach Sheila Rodgers feels that team spirit is the key to the team's success. With a team oriented coaching philosophy Sheila is hoping to continue a tradition of excellence that she has established here at St Joseph's College.

finish

As the season has progressed, so has the 1993 Golden Eagles soccer team. With a team full of youth and a fine blend of veteran leaders paving the way for victory, our Eagles have displayed great poise and fury while steadily rising through the district standings. With an outstanding 5-0 shutout over SUNY Maritime on Oct. 13, the Golden Eagles' record now stands at 8-7-1.

Past the midway point of the season, Mike Reilly is leading the team in scoring with 23 goals and 4 assists. Second to him is Jude Norberg with 12 points. Overall the team has been playing solid defense with Greg Armstrong keeping everyone in check. Other players such as Justin Seifert and Tony Lacarrubba have helped carry the load in leading this team to victory. Goalie John Scheider is having a fine season with a 7-7 record and a 2.1 goals against average.

"We have a young team, but we are learning to play with each other better and better everyday," says Sal Gruttadauria, a transfer student from Suffolk Community College.

Coach Smith adds, "With the potential we have, we can be a really good squad right now and for the next few years. They're a good group of guys that work hard everyday. That's why we've reached the point we're at now."

This year's brigade of players have brought an exciting brand of soccer to St. Joseph's. You can see the enthusiasm pouring out on the field as our mighty Eagles move in for the kill. Come and support the Eagles at their next home game Oct. 20 versus Dominican.

FALL BASEBALL SWINGS INTO SPRING

When we think of any Baseball season, the first thing we look to hear about are the record, top opponents, team leaders, and so on. However, the fall college Baseball season brings none of that. It merely serves as an early practice season and time for evaluation of all the baseball players for the upcoming spring sports season.

As the 1993 spring season came to a close, then rookie Coach Mike Palermo guided the St. Joseph Eagles to second place in the District 31 standings. Billy Wolf, Bernie Hoyt, Willy Crespo, and Danny Ackerler are just some of the stars that brought the Eagles to their outstanding second place finish. This fall brought the return of all the above players as well as five new freshmen, including Billy Massaro and Robby Weiden.

Coach Palermo, now in his second fall season, is both pleased and impressed with his team's outcome. "We have the talent to win the district if we all show up and get our minds thinking the same way." That statement will surely need to be lived out with the Eagles preparing to take on such tough opponents as Dominican and Saint Thomas Aquinas this spring.

Be sure to look out for the future successes and happenings of the Baseball season this upcoming year.

Steve Visconti

My Graduation from St. Joseph's just closes another chapter in my book of life. As I leave, I will relay to my fellow classmates and underclassmen some important messages.

- Live for the now, enjoy life because it is here. Make the best of everyday that passes because the days are just packed.

- Be careful of your reactions toward others because self-righteous attitudes breed contempt.

- If you want something, go out and get it, if you sit on your tail, it won't come to you.

- Remember, life is about learning, you learn something new everyday.

Good luck and God Bless to all, for I am sure that our paths will cross again.

Wayne Whalen

College was not a race. It took me some time, but I finished. To Christi, Mike, Donna, Simon, I leave great memories at Howards. Matt I leave you a win. I can't believe it cost 10 cents each additional word.

EDITORS NOTES

A NOTE FROM THE EDITOR

There are many people I would like to thank for their efforts in creating this book. Without all of their hard work and dedication the 1994 yearbook would not have existed.

Special thanks to Carl Miller, our Jostens representative, and Dr. Frank Lerche, our advisor. Their leadership and guidance was truly appreciated! Thanks to Student Services, especially JoAnn and Marcia, for the countless hours they devoted to our club. I would also like to thank Patti Slabowski for all the extra photographs she provided and the Talon for their numerous articles. Most of all I would like to thank my outstanding staff for all the time and effort they put into developing the 1994 yearbook. Good luck to those who graduated and I look forward to working with the rest of you next year. Thanks for everything.

Best Wishes,
Jennifer
